

Sample Script to call Green Party supporters about our nominating petition

Hello _____,

My name is _____ and I'm a volunteer in _____ with the Green Party of Washington State.

I'm calling because we need to collect signatures to get our Presidential candidate Howie Hawkins on the ballot in November AND we're asking all Green Party supporters in Washington to sign our petition to help make it happen!

Would you be able to print out the petition, sign it, and then send it back to us by regular postal mail by July 25th?

The easiest way to find our nominating petition is to go to our website: <https://greenpartywashington.org/> and then click on 'News'. You will see the instructions and a link to download and print the petition.

In the first box, SIGN your name exactly how it appears on your voter registration or driver's license, THEN in the following boxes, PRINT your full name, birthdate, and THE ADDRESS WHERE YOU ARE REGISTERED TO VOTE.

After you print and fill out the petition, please mail the petition back to us by July 15th addressed to:
Green Party of Washington State
PO Box 70493
Seattle WA 98127

We want to be sure we are on track to collect all the necessary signatures by the deadline and turn them into the Secretary of State, so the sooner we receive it, the better! Please pass this information along to anyone else in Washington you think might want to sign. If you have any questions or need assistance getting a copy or getting it back to us, feel free to call me to coordinate, my number is _____ and again, my name is _____.

Thank you so much! Have a great day.

Additional verbiage if reaching the person:

[IF they cannot print it, ask if we can mail them a printed form or if they would be able to meet you somewhere to sign the petition.]

When do you think you will be able to mail it to us?

[IF they cannot mail it, ask if they would be able to drop it off at a location where you can meet them.]

[IF you need to register to vote, the information to do this is at the bottom of the webpage.]

Do you know anyone else who would like to sign it?
